Introduction

During 2019, the Goldsboro Composite Squadron experienced an influx of new members, both cadet and senior. The unit emphasized Emergency Services, Aerospace, and STEM training as well as increased community service and outreach.

The Squadron completed their bi-annual SUI in September 2019 without any discprencies found. They also earned the Quality Cadet Unit Award for the Cadet Program for the second year in a row as well as the AEX Award. The Squadron hosted their first Cyber Patriot team and, while not making it to the finals, the team finished in the middle of the top Gold teir.

Heading: Civil Air Patrol Remembers Veterans for Christmas
By: C/Amn Aliciana Bylica, Cadet Public Affairs Officer
12/7/2019-KINSTON, North Carolina-
On Saturday, December 7th, 2019, the Goldsboro Composite Squadron, Civil Air Patrol, visited the North Carolina State Veteran's Home in Kinston, NC to honor the residents this Christmas season. The visit opened with a posting of the colors by the squadron's Color Guard team, led by C/1st Lt Aiden Thibodeaux. Following the posting, cadets conducted a flag folding ceremony led by C/Maj Maggie Thibodeaux. To conclude the presentation, the Honor Guard team meticulously presented the Missing in Action/Prisoner of War ceremony. The combination of these ceremonies emotionally moved many of the residents and viewers.
C/SrA Zane Turbyfill addressed the veterans describing his father's service and the inspiration his father and other veterans have given him, "to follow their footsteps in service and sacrifice." C/Amn Dylan Brock thanked the veterans for their service. Lastly, C/1st Lt Benjamin Michael spoke of his aspirations to attend the Air Force Academy and how Civil Air Patrol has helped him develop his leadership skills.
Concluding the presentation, the cadets visited with the veterans, listening to their stories and taking to heart their words of wisdom. Alanna Cunningham, an adult member of Civil Air Patrol stated, "It was nice to see cadets to meet with veterans, not only honoring them, but visiting with them. These veterans do not get attention they deserve and they greatly appreciated it." After spending time with the veterans in the social hall, the cadets went door to door handing out Christmas cards and continued to spend time with the residents. Ms Kimberly Dixon, the Activities Director for the Home, said "The veterans thoroughly enjoyed the visit from the Goldsboro Composite Squadron on Saturday. The MIA/POW ceremony was the most touching part of the ceremony. The cadets were very polished during the each demonstration. "
Civil Air Patrol fosters four core values, one of which is community service. Opportunities such as this in serving the community instill an attitude of service before self and help bring the community together.

Civil Air Patrol, the longtime all-volunteer U.S. Air Force auxiliary, is the newest member of the Air Force's Total Force. In this role, CAP operates a fleet of 560 aircraft, performs about 90 percent of continental U.S. inland search and rescue missions as tasked by the Air Force Rescue Coordination Center and is credited by the AFRCC with saving an average of more than 80 lives annually. CAP's 66,000 members also perform homeland security, disaster relief and drug interdiction missions at the request of federal, state and local agencies. In addition, CAP plays a leading role in aerospace/STEM education, and its members serve as mentors to over 28,000 young people participating in CAP's Cadet Programs.
